## Lloyd George Tells DeValera There Shall Be No Compromise

### Two Hundred Boat Loads Whiskey and Beer Taken Across Canadian-American Border; Landings Made Without Any Interference

WINDSOR, Aug. 14.—Hundreds of fast motor boats, so heavily laden with beer and whiskey that their gunwales were awash, pushed away from Canadian shores at nightfall Saturday and headed for the American side.

Not a single cruiser awaited the runners on the other shore. Their landing was made without interference.

At Eros, on the shore, the shipments were received by bands of men who, efficiently but without haste, carried them to their destinations. Excise officials took no steps to get possession of the cargoes.

On the Canadian side, it was estimated at least 200 boats made the trip at dusk to the United States. This figure might have been largely increased, it was estimated, had count been taken of others who embarked from Amherstburg.

Up river points, Windsor, Walkerville and the like, provided the whiskey shipments. Sandwich was the source of the beer.

# UNEMPLOYMENT CONFERENCE ON TUESDAY WEEK

Further Meeting Between Representatives of Prov. Gov. Offices And Labor Unions

TO PLAN RELIEF Information Now Available As To Extent of Unemployment During Winter

Another conference between members of Alberta cities representatives of the provincial government, and other interested officials for the purpose of discussing the subject of unemployment will be held at the Mount Buildings on Tuesday, August 13d.

As the result of previous conference on the matter, a questionnaire was drafted and sent out to the labor unions and labor bureau by J. W. Mitchell, who was appointed secretary to the conference.

Information was made as to the number of men in the unions, those employed, the total of unemployed, and whether the employment was available or not.

All the replies to this questionnaire are now available and with this data to hand, it is thought desirable to hold the next conference at as early a date as possible.

The idea is for some concrete plan to be arrived at for the express purpose of endeavoring to alleviate the distress which would undoubtedly be caused by a large number of men being out of work in Alberta throughout the coming winter.

Major Duggan, who is much interested in the matter, when discussing the date of the conference, was asked how the situation appeared. "I am glad to say," replied the mayor, "that the prospect for a large amount of unemployment does not seem to be so imminent as a while back, but now the situation does show some improvement."

LIVESTOCK MEN OF WEST URGU OTTAWA TO HELP INDUSTRY

Calgary, August 13.—The various livestock associations across Canada have passed a strong resolution which has been sent to Right Hon. It is urged that a conference be held at Ottawa to devise means of remedy.

## IT'S EASY FOR STEVE TO STAND ON HEAD ON SPEEDING AQUAPLANE

Steve Patrick has won fame at Coronado, Cal., by standing on his head on a speeding aquaplane. The plane must travel with great rapidity for the feat which he is to attempt on the Pacific coast. So the stunt is no easy feat. The aquaplane is to be towed by a swift motor boat so as to keep the plane steady.

The Edmonton amateurs Saturday night took the Evansburg nine into camp in one of the prettiest ball games seen here in many a day.

It is quite the thing these days for the amateurs of professional baseball games. Mat Nehring, on the mound for the locals, pitched another gem, and the Evansburg nine, opponent Thibon, who pitched for Cal-

day (they didn't have a thing except, maybe, the croup, and Saturday they had everything. They gave the croup to the boys, and the boys went out fielding and powerful timely hitting.

For the greater bliss of the onlookers, the croup was out of the game in the fourth inning of the game. Then he had allowed Hauger, of Edmonton, to cruise the bases in the first inning on a blow from a right fielder.

The appearance of Francis X. Bushman and Beverly Bayne in person at the Orpheum, beginning Monday and Tuesday, will prove the wide popularity of this couple, for they have been breaking attendance records in every city in which they have appeared in vaudeville. While most generally known for their screen work, Bushman and Bayne both come from the speaking stage. Each has a number of vaudeville engagements to their credit. Mr. Bushman, several years ago, was leading man in stock companies. This great schooling, which he received as assistant to success by the most eminent stage stars, has made Mr. Bushman an actor in popularity. The screen, of course, did its part in making him and Miss Bayne favorites of the world over.

Four, Rich Man, a satirical comedy, in one act, by Edwin Markes, is the vehicle in which Mr. Bushman and Miss Bayne will be seen. In it they have scored emphatic success over the Keith and Orpheum circuits. They are supported by William Whitehead and Bert Robinson.
